to Wasco

Good afternoon,

A reminder that St. Charles District 303 Administration will be at **Wasco School** this **Wednesday, October 21 at 7 p.m.** to present and explain the 2015 Facilities Options to our Wasco School Community. The presentation will begin at 7 p.m. and will include time for questions from those in attendance.

As part of this process, District 303 will also provide an on-line forum for the community to offer feedback on the 2015 Facilities Options. The responses will be provided to the members of the Board of Education to assist them in their decision-making. The forum can be accessed by visiting www.d303.org/facilities

We expect a large turnout on Wednesday so please plan to arrive early for parking and seating. Please pass this information along to friends and neighbors, regardless if they have school-aged children, so all Wasco Community members have the opportunity to hear the presentation and be informed about the future of our district and potential impacts. Thank you!
