Good afternoon Wasco Families,

Well, the time has come to "wrap" up 2015! We have learned so much this fall/winter and have grown in so many ways. I hope you find that your children enjoyed their learning experiences here at Wasco as much as we have enjoyed teaching them. Our Wasco Wolves are truly "gifts" to us and we are thankful everyday for their smiles, curiosity, generosity, humor, insights and kindness. Happy holidays to you and your families and may the best of the season find its way into your lives this year!

- **Next Steps in Facilities Planning Options:** The Board of Education has scheduled a Special Meeting at **6 p.m. on Monday, January 4 at Thompson Middle School** to discuss the District 303 Facilities Options. The main purpose of this meeting is for Board members to discuss the Facilities Options. Citizen Comments will be limited to three minutes per speaker for a total of 30 minutes. No action will be taken at this meeting. District Administration has asked the Board to take action on the Facilities Options at the Monday, January 11 Regular Meeting of the Board, 7 p.m. at Wredling Middle School.

Wasco parents and community members are encouraged to attend to comment and to listen to the board discussing the options. **WE HOPE TO HAVE A STRONG REPRESENTATION FROM THE WASCO COMMUNITY AT THE JAN. 4TH MEETING - PLAN TO ATTEND & ARRIVE EARLY!!!**

- **Wasco Reads:** Teachers in each grade level have challenged their students to a Winter Break reading challenge. Students were allowed to check out extra books over the holiday break to provide more opportunity for them to read and achieve their reading minutes. Please encourage your child to meet or exceed the grade-level challenge goal.

Have a wonderful holiday break!
