

REMINDER! Wasco Curriculum Night-Open House tonight!

Wednesday, September 6, 2017

Good morning,

This is a reminder that tonight, **5-7 p.m.**, is the Wasco School Curriculum Night Open House for all students K-5. A few notes:

- This is an open-house style of event. We hope that families can schedule time in each child's classroom in one evening.
- Please limit the numbers of extra visitors in attendance to allow students the space and time to show you around the classroom. Our classroom space is limited!
- Strategic timing....parking is limited at Wasco. We encourage families to plan to attend throughout the two-hour window.
- Teachers are just getting to know your child and will not be able to engage in specific student conferences tonight. However, if you would like to schedule a 1:1 conference with your child's teacher, we encourage you to call or email to set one up.
- Let your child guide you! Our teachers have been working with students to get them accustomed to their new learning environments. Therefore, your child will be able to show you around tonight...make sure to ask great questions!
- We need volunteers! If you are interested in volunteering at Wasco School, there will be opportunities to sign up tonight.
- Parking lot safety and patience...there will be many vehicles coming in and out tonight along with many small children. Please exercise great care and caution when arriving or leaving tonight!

We look forward to seeing you tonight~ Have a wonderful day,

Barbara Stokke
