

Wasco School presents:

Empowering Parents

An evening designed to empower parents to support children's success in school

- Wednesday, April 19, 2017
 - 6:30-8:00 pm
 - Wasco School
- *Childcare is provided

This evening will provide information and strategies for parents to help their children enjoy a happy, healthy and successful school experience.

Topics include:

- Executive Functioning (i.e. organization, time management, planning, task completion)
- Childhood anxiety, stress, fears and worry
- Depression and emotional regulation

Please RSVP by Monday, April 17. [Click here to register.](#)

3 "Date Night" baskets will be given away at the end of the evening.

This is a free event sponsored by Wasco School and made possible through a grant provided by The Kane County Health Dept.
