

How to Access District 303's Elementary eBook Library

Students should write their username and password below using their library card. This will be helpful to reference from home.

Username: _____

Password: _____

Directions for accessing eBooks using the Internet on a computer or tablet

Featuring over 500 titles brought to you by...

AND

The Greater St.
Charles Education
Foundation

1. Go to our school's web site: www.wasco.d303.org.
2. Click on "LRC" in the menu.
3. Click on Library Catalog.
4. Click on **Destiny Discover** on the left side.
5. Look for the section that says Ebooks and click on **See All**
6. Click Login when you are looking at all the eBooks so that you may checkout titles. Login information is the student's username and password (student's 800#; same password used to access computers at school).
7. Browse the eBook collection. Read books online or checkout to read over a seven day loan period.

Directions for accessing eBooks using the Follett App. on an Apple device

1. Download the free "Destiny Discover" app. from the App. Store
2. Open the app. and enter student's username and password (student's 800#; same password used to access computers at school).
3. Enter Wasco's code into the field **Follett Shelf URL: wbb33725**
4. Browse the eBook collection. Read books online or checkout to read over a seven day loan period.

You now have access to the D303 eBook library. On a personal device, you should be able to stay logged in, and the app. should remember the school code.
