Parents,

At tonight's Wasco PTO meeting, I shared some information regarding the D303 Facility Options presentation that was published in the news a couple of weeks ago. To assist all parents and community members gain more information, I've included a link here to watch a video presentation as well as a forum to share your questions, ideas and concerns.

The district has posted a video of D303 Superintendent Dr. Don Schlomann's presentation regarding the District 303 Facilities Options. You can watch the video at www.d303.org/facilities

After you watch the video, please access the Feedback Forum regarding the Facilities Options. The information from the Feedback Forum, especially the comments will be given to the Board of Education to assist them in making their decision on the Facilities Options.

Dr. Schlomann is delivering this presentation to District 303 staff members and will begin presentations for community members beginning in mid-October. The schedule of meetings is also accessible at www.d303.org/facilities

The Options are scheduled to be delivered to the Board of Education in December and voted on in January.

Thank you!

Barbara Stokke
